AGM

Thursday 17th January 2013 7pm

Seminar Room, Bloomfields Centre, Narberth

Followed by refreshments and at

7.30pm a showing of the film Four Horsemen

This independent feature documentary lifts the lid on how the world really works

“Four Horsemen is an important film because it presents a sober picture of what is wrong in a non-hysterical way and will ignite a debate about what can be done to create a fairer, less dysfunctional world.”

- Marcus Chown, New Scientist
