### *The Mountains Agonised* a film by Subrat Kumar Sahu in Hindu/English with English subtitles 2019

Of late the Mighty Himalayas have been reduced to a huge construction site: more than 900 hydro power projects are coming up , to generate 27,000 megawatts of electricity. Natural flows of life sustaining rivers are being ruthlessly altered and the mountains are being defaced beyond recognition , while scores of communities are being thrown into uncertain futures .

Followed by a discussion about the issues of the climate emergency and hyrdo power projects world wide with Subrat Kumar Sahu and Felix Padel, writer, anthropologist and campaigner for the rights of tribal people in India,
